**Re: Outside Athletic Field Notification Update**

Dear Fairfield Township School Community,

I trust this letter finds you and your family safe and well. The other purpose of this letter is to provide you with a professional and courtesy update regarding the outside athletic field status.

Initially, due to a landscaping project and the grass being treated, we told everyone the track would reopen on November 15<sup>th</sup>. Unfortunately, we encountered some minor problems. As a result, the date must be pushed back a little bit. We apologize for any inconvenience.

However, we suspect everyone in the school community will have full access to the outside track and field very shortly. Once we have a confirmed reopening date for the outside fields, we will definitely let everyone know immediately. Please know that we continue to be extremely excited for everyone in the school community to have complete access to the outside athletic track & field soon.

I hope the information is helpful. If you have any questions, please contact the business office. Meanwhile, we thank everyone in the school community for your patience, cooperation, and overall support on this matter.

Respectfully,

Dr. Michael Knox, Superintendent/ Principal
