

Challenged with rising energy costs?

Join Us to Apply for Atlantic City Electric's Customer Relief Fund

Atlantic City Electric, in partnership with SHARES, is committed to helping customers manage their energy use and stay connected. As part of the new Customer Relief Fund, eligible customers may qualify for up to **\$300 in energy assistance** through a one-time program made possible by a charitable contribution from Exelon, our parent company. At these events, our representatives will be available to share tips on reducing energy use and lowering monthly bills, as well as provide information and resources about available assistance programs.
